Black Daisy Guest Chair

Daisy

Durable + Refined

The Daisy Black Guest Chair combines modern design with practical functionality. Its sleek, breathable mesh back offers both style and comfort. You can choose between castors or glider feet, as the chair comes with both options, allowing for customizable comfort and stability. The Daisy Black Guest Chair also features optional arms that can be added during assembly. With a cushioned seat for added comfort, this chair enhances any office or waiting area, blending sophistication with everyday ease.
