Stratus Mid Back

Stylish + Comfortable

Stratus

The Stratus Chair brings a modern touch to your workspace with its sleek ribbed upholstery and ergonomic design. Thoughtfully crafted for comfort, it includes lumbar support and padded armrests to keep you at ease throughout the day. The chair offers seat height adjustment, tilt tension control, and a secure upright lock, allowing you to find your perfect seating position. Finished with a robust chrome base for stability and smooth-rolling mobility, the Stratus is an elegant yet practical addition to any office or meeting space.
